ILKLEY LAWN TENNIS & SQUASH CLUB

A warm welcome to Gavin Sutcliffe, who has now started his new role as Head of Rackets and Development! We're excited to have Gavin as the newest member of our team. Be sure to say hello if you see him around the club!

For any rackets queries you can contact Gavin on gavin@iltsc.co.uk

GRASS COURTS

Having now had some warmer and drier weather, our grounds team are hopeful we will have a few grass courts open early next week. They will continue to monitor the weather, but keep your fingers crossed it stays warm and dry to help those baselines!

We ask that when they do open only recognised tennis shoes are worn but **NO GRASS COURT SHOES** at this time.

NEW INDOOR COURT COLOUR

Thank you all for voting on the new court colours. The response was brilliant! The chosen colour is Pink, with a majority of 66%

We can't wait to have this exciting change come to fruition. Work will be starting on the 20th May. Some courts may still be playable at times and these will be reduced to £1 per hour due to potential noise, disruption and limitations.

Indoor courts will be closed on the online system until June 10th to allow for a worst case scenario but we hope they will be open before then. The system will be updated accordingly as the work progresses.

COURT PRICES

Following some further Members Committee discussion, please see below the updated court fee prices. These will be actioned immediately and any future member bookings already in place will have accounts credited accordingly.

Indoor court fees will be reduced to £1 per hour during the month of June due to tournament restrictions.
