

JUNE 2024

ILTSC

ILKLEY LAWN TENNIS & SQUASH CLUB

THAT'S A WRAP

LEXUS ILKLEY TROPHY 2024

And just like that, the Lexus Ilkley Trophy is over for another year and what a week it was! Despite some battles with the weather, we saw thousands of fans turn up each day to enjoy world class tennis with family and friends. It's safe to say, the Wimbledon of the North once again lived up to it's expectations and we are looking forward to being back in 2025 already.

Last Chance to purchase a piece of Moss and Moor display furniture!

If you liked the look of some of the Moss and Moor furniture displayed on our terrace, this is your last chance to buy it. As display items, they are all discounted from full price...a bargain not to be missed!

If you are interested, contact Moss & Moor directly on 01943 663699

Lost Property:

We have quite the collection of lost property from the tournament. If you think you may have lost something please make sure to check at reception. Anything not claimed in the next couple of weeks will be donated to charity.

A HUGE THANK YOU

In the build up and during The Lexus Ilkley Trophy, many of us take on additional roles to those we have daily at the Club. Lets recognise and thank all the efforts of the team that battled tough conditions and certainly put on a show this year!

Rik Smith – Tournament Director, spending countless hours managing the tournament delivery

Kyle Brassington – Assistant Tournament Director and creator of every single sign on site!

Chris Harrison – Head of F&B and Sponsorship Acquisition ; arranging all food vendors for the public area & Hospitality. Selling Hospitality packages and bringing on club partners.

Will Rigg, Pete Crowther, Jamie Teale, Oli Pearson, Luke Crompton, Ted Bardgett – our amazing Grounds Team who had such a difficult start to the week. Did you know they start at 5am!

James Smith – assisted the Grounds Team but also manages all the contractors coming on and off site as well as being the general 'fixer' of all things and go to person!

Simon Bentley and Marione Horsley (Club Members) – Lead Volunteers; attending meetings throughout the year so that our volunteers are fully briefed and hosting meetings and uniform collections

150+ volunteers – mainly all club members and as mentioned by Rik in his Finals Day speech, other tournaments are envious of our team of volunteers that give us such great support every year. Special mention to those who helped in the preparations and in the de-rig.

Anita Perry (Club Member) – works tirelessly all year round arranging hotels for players and settling invoices after the event. A lot of juggling to do when rain keeps players here longer!

Linda Burton (Club Member) – provides housing placements for players and generally looks after them

Player Hosts – members who give up their time to house players during the week

Robbie Burnett and his team of drivers – provide transport for players to hotels, the airport and the train station...and even a few extra trips when players forget their trainers! Not forgetting his team that ran the desk efficiently all week; Sarah and Nick Winterbottom, Trevor Jenkins, Barbara Whitlam and Richard Burgin.

Katherine Wade (Club Member) – makes everywhere look so lovely with her table top flowers and keeps players clean by running the laundry service

Zoe Judkowski – manages all of the Clubs Social Media and member communications, ensuring every member knows exactly what is happening and when, and that the whole of Yorkshire hears about the trophy.

Nicola Bayne – Accreditation Manager; responsible for accrediting everyone who comes on site. Not an easy process with the sheer volume of people involved.

George Bayne (Club Member) – assisted in accreditation and also managed the food voucher system for players and officials ensuring everyone could get food to keep them going!

Georgina Sneath, Ted Killan and Barney Killan (Club Members) – fantastic assistants for Nicola all week!

Gavin Sutcliffe – Head of Outreach; arranged for over 1800 school children to attend sessions during the week and managed to get them all seated to watch some tennis too!

Coaches Jack Pullan, Adam Whiteley, Chris Wheeler, Mikey Smith and Sam Forde – plus their assistants, managed to run the sessions with the school children successfully!

Graham Perkin – managed the team out in the public bar areas as well as ensuring everything was running smoothly in the player lounge. Organising a lot of stock consumed by the hungry and thirsty spectators.

Hospitality Team and Public Bar Staff – worked so hard and worked long hours keeping everyone fed and watered and always a smile on their face.

Louisa House – successfully heads up the player lounge with a healthy and vibrant variety of foods for players from around the world.

Café Bar Team – built up great relationships with the players and looked after them every day

Marcus Whitehead, Tilly Melechi, Jo Buckingham, Sarah Mayrick – Refresh Team; along side their team they worked so hard to maintain the cleanliness of the outside site as well as making sure all players had everything they needed when on court

Kelly Maguire and Sheila Valier – Club Cleaning Team; with so many people using the Club House during tournament week, it soon becomes messy, but Kelly and Sheila did such a fantastic job of keeping on top of everything and making the club look tidy at all times

Richard Sheard and Evie Graves – managed to answer the many phone calls we receive during the week with people asking questions about the tournament and generally helping the Team out

Colin Campbell, Jo Craven, Jonny Holden and Tom Horsfall – Ball Crew Team; organising and supervising over 90 children is quite a challenge, but they pulled it off and the children were amazing

Sally Judkowski (Club Member) – assisting Colin in the ball crew training sessions down at Ilkley Grammar School that take place from April. Not forgetting our club players who offered to be guinea pigs for the children to practice with!

Ilkley Grammar School Ball Crew – over 90 children attended for Ball Crew and worked hard all work, feedback being they are the best crew yet!

Andy Willers (Club Member) – created a great promotional video to round up this years tournament and also took lots of photography during the week and at the Summer Ball.

Kate Ayre (Club Member) – spent a lot of time in the run up to tournament handing out leaflets and spreading the word in Ilkley Town and also creating links with the likes of Leeds Bradford Airport and The Business Desk. Spreading the word of the trophy across the county.

Big shout out to the set up team and the de-rig team – such a hard task for them especially when everyone is so tired but they have carried on in the blazing sun and the site is almost back to normal!!

Huge thanks to all of our food vendors who looked after each and everyone of us last week, offering delicious and varied food every day – we miss you!

Roll on 2025!

If you are interested in getting involved please feel free to reach out.

PADEL

PADEL FESTIVAL

Just before the Ilkley Trophy kicked off, our members took to the court for a weekend of Padel.

With the sun shining, spirits were high with some friendly competition and all involved had a fantastic weekend!

A special mention to club member Ken Souyave for organising and delivering a fantastic weekend for everyone!
